### Global Class

With global diverse community you'll feel and one giant class with your mates for the planet.

### Humans to Human

We meet in you in-person and online to keep the learning experience even more fun.

### Culture & context

We meet in you in-person and online to keep the learning experience even more fun.

### Learn & Laugh

To keep learning process more fun & less burden, we laugh & learn to grow & grow

## Be the local Guy of the language

Teaching a language using its cultural context is an effective way to help learners understand and appreciate the culture of the people who speak it. This approach involves incorporating cultural elements, such as customs, traditions, and history, into the language curriculum.
